CONCLUSION

PROBLEM STATEMENT

- EEG Dataset
- Can we detect epilepsy?
 - Classification Problem
- What is the best model to detect epilepsy?
 - Accuracy and FNR

DATA PREPARATION

FOR TIME SERIES

	Unnamed: 0	X1	X2	X3	X4	X5	X6	X7	X8	X9	...	X170	X171	X172	X173	X174	X175	X176	X177	X178	y

PROBLEMS WITH TIME SERIES

- Time series is dependent
 - Models will not work well
- Way to extract independent variables?
 - Fourier Series Transformation
 - Get coefficients of FST
